

## G-Biosciences

### Recombinant Human Caspase 8, 25 Units

#### 特徴

Useful in screening caspase inhibitors, studying enzyme regulation and kinetics and determining target substrate. It also can be used as a positive control in caspase activity assays.

| 商品イメージ                                                                              | アズワン品番     | 商品名                                        | 型番      | 入数 | 標準価格<br>(税抜)<br>定額送料<br>(税抜) | 備考 |
